

When the party arrived there Mr. Henry Stevens was the only member of the family that went into the vault which was under a large mound with a slab over it. In the vault the caskets are placed in niches. Mr. Stevens said that Mr. Hall was to be placed next to Mrs. Stevens, which would leave a place for Mrs. Hall next to Mr. Hall. This was found impossible and after Mr. Stevens had gone up and talked with Mrs. Hall he said to place Mr. Hall in the bottom row because she wished to be placed next to him and this was done.

Mr. Hubbard never signed a statement for the Police because none was ever sent him for correction.
